Five Questions for Any AI

1. Where are we using it?
2. What information can it reach?
3. What happens when it is wrong, or manipulated?
4. What decisions stay with people?
5. Who owns the outcome?

The habit: Stop. Hang up. Call back at a number you already know.

People · Planet · Purpose · Prosperity: for everyone, or for a few?

THE TECHNOLOGY HAS CHANGED. THE RESPONSIBILITY HAS NOT.

Before I Act

- **Who is asking, and how do I know?**
- **How can I verify this another way?**
- **Numbers I already trust:**

- **Our family safe word:** *agreed in person, never written here.*
- **One request at work I will always verify:**

Urgency is the scammer's tool. Take it away. Then check.
